

Florida Gas Transmission Company

Cordially Invites You to an Open House

Because of increased demand for clean burning natural gas in Central Florida, Florida Gas Transmission has proposed adding compression to our station at 7990 Steer Lake Road in Orlando. We'd like to discuss this proposed expansion with you.

Where: Metrowest Elementary
School cafeteria
1801 Lake Vilma Dr.

When: December 11 any time
between 5 - 7 p.m.

Please come to our open house to hear more about our plans and to tell us how our project can best serve your community.

If you have questions, please contact
Paulette Trepl at 800-381-1477
